Dear CMDR Orduna,

On behalf of the Marine Forces Fleet Week 2003, please accept my most sincere thanks and gratitude for all of your support during this year's celebration. This week would not be possible if it were not for the dedication and devotion of people like you.

The example and inspiration that you provide for the youth in your charge is crucial to the future of our Navy and Marine Corps. Your program is helping to create the future leaders of this country. Regardless of the individual's decision to enter into our nation's service, your program prepares them to be better students, citizens, and leaders.

Semper Fidelis,

JOHN G. CASTELLAW
